What to expect...

As a Foundation Apprentice in Health and Social Care, you'll gain hands-on experience in real care settings while building essential skills like teamwork, empathy, and delivering person-centred care. Over the 8-month programme, you'll develop the knowledge and confidence needed for roles such as Care Assistant, Healthcare Support Worker, or Nursing Assistant. By the end, you'll have a nationally recognised qualification, a completed portfolio, and the readiness to step into a meaningful career that makes a real difference in people's lives.

Your Connect2Care trainer will support you every step of the way with regular online and face-to-face sessions. We're also specialists in English and maths – we'll assess your needs and give you tailored support if you need a boost.

The apprenticeship modules:

1	Fundamental Principles of Care
2	Keeping Individuals Safe
3	Delivering High-Quality Care
4	Health and Wellbeing
5	Careers
6	Food Hygiene

Sustainability & equality, diversity & inclusion are built into everything we teach.
