What to expect...

Throughout this apprenticeship, you will deepen your understanding of high-quality care, develop advanced communication and leadership skills, and learn how to confidently supervise and support others. Gain the knowledge, values, and behaviours needed to take ownership of care delivery, exercise professional judgement, and lead with purpose in a variety of adult care settings.

You'll be supported every step of the way by your own Connect2Care Vocational Trainer, with regular face-to-face and online sessions. We're also specialists in English and maths – we'll assess your needs and give you tailored support if you need a boost.

The apprenticeship modules:

1	Mental Capacity & Restrictive Practice
2	Communication & Information Handling
3	Equality, Diversity, Inclusion & Human Rights
4	Safeguarding & Duty of Care
5	Agreed Ways of Working
6	Person-Centred Practice, Choice & Independence
7	Health, Safety & Infection Control
8	Health & Wellbeing
9	Personal Wellbeing
10	Continuous Development

Sustainability & equality, diversity & inclusion are built into everything we teach.
