What to expect...

On this apprenticeship, you will build expert knowledge in specialist areas such as care needs assessment, rehabilitation, and assistive technology, while developing the leadership skills to influence high-quality, person-centred care. Grow into a trusted professional who can coach others, uphold best practice, and confidently drive improvement across adult care services.

You'll be supported every step of the way by your own Connect2Care Vocational Trainer, with regular face-to-face and online sessions. We're also specialists in English and maths – we'll assess your needs and give you tailored support if you need a boost.
