# What to expect...

Through this apprenticeship, you will develop the advanced leadership, management, and strategic thinking skills needed to run high-quality care services with confidence and integrity. Learn how to lead teams, manage resources, ensure regulatory compliance, and embed a values-based culture that puts people at the heart of everything you do.

You'll be supported every step of the way by your own Connect2Care Vocational Trainer, with regular face-to-face and online sessions. We're also specialists in English and maths – we'll assess your needs and give you tailored support if you need a boost.
