# What to expect...

Embarking on an Early Years Practitioner apprenticeship offers a comprehensive foundation in supporting children's development and wellbeing. Gain expertise in health and safety, safeguarding, and confidentiality while exploring key aspects of child development, communication, and transitions. Through practical training and the Early Years Foundation Stage (EYFS) framework, learn to design engaging activities, collaborate effectively with others, and nurture every child's potential in a safe, inclusive environment, preparing you for a rewarding career in early years education.

You'll be supported every step of the way by your own Connect2Care Vocational Trainer, with regular face-to-face and online sessions. We're also specialists in English and maths – we'll assess your needs and give you tailored support if you need a boost.

Please note: To count in staff ratios at Level 3 or above, apprentices must achieve a Level 2 English qualification if not previously attained.
