What to expect...

By completing this apprenticeship, gain essential knowledge and skills to excel in early years education, including understanding health and safety protocols and the fundamentals of child development. Learn how to safeguard and protect children, implement the Early Years Foundation Stage (EYFS) framework, and effectively observe and plan to support learning. Additionally, you will develop the ability to create nurturing and stimulating learning environments, promote equality, diversity, and inclusion, foster strong partnership working with families and professionals, and support children's health and wellbeing for holistic development.

You'll be supported every step of the way by your own Connect2Care Vocational Trainer, with regular face-to-face and online sessions. We're also specialists in English and maths – we'll assess your needs and give you tailored support if you need a boost.

Please note: To count in staff ratios at Level 3 or above, apprentices must achieve a Level 2 English qualification if not previously attained.

The apprenticeship modules:

1	Introduction to Early Years Educator
2	Health & Safety
3	Learning & Child Development
4	Safeguarding & Child Protection
5	EYFS, Observation & Planning
6	Creating Effective Learning Environments
7	Equality, Diversity & Inclusion
