What to expect...

By completing this Team Leader apprenticeship, apprentices will gain the knowledge, skills and behaviours essential for success in a first line management role across any sector. They will learn how to **lead projects** effectively, **resolve problems** confidently, deliver operational plans, and manage resources efficiently. Apprentices will also develop the ability to support, manage and develop team members, as well as plan and monitor workloads to ensure that any outcomes can be achieved. This programme **equips** future team leaders with the tools and insight to provide direction, guidance and motivation – preparing them to take on **key responsibilities** and make a **meaningful impact** within any business.

You'll be supported every step of the way by your own EDN Vocational Trainer, with regular face-to-face and online sessions. We're also specialists in English and maths – we'll assess your needs and give you tailored support if you need a boost.
