

TEAM LEADER APPRENTICESHIP

LEVEL THREE

Learn to lead effectively!

Build the skills to motivate and
empower those around you

What to expect...

Unlock the secrets to leading **high-performing** teams, master core management principles and dive into **key areas** like leadership and change management. With **flexible** ways to learn - whether you prefer reading, listening or watching - you'll be **empowered** to take your leadership to the **next level** and drive **success** in your team!

The apprenticeship modules

This programme is for first-level managers and leaders in all sectors

- 1 Introduction to Team Leader
- 2 Making and communicating plans
- 3 Managing a team
- 4 Building relationships
- 5 Using data effectively
- 6 Exploring management technology
- 7 Managing and resolving conflicts
- 8 Managing Change

Sustainability and Equality, Diversity, and Inclusion (EDI) are integral to all our programmes. Each module is designed with a focus on sustainable practices and a commitment to fostering an inclusive environment, ensuring that these principles are woven into every aspect of learning and professional development.

How much does it cost?

The cost of your apprenticeship is fully covered, with funding arranged through your employer.

How long is it?

14 Months
+ EPA

Every apprentice is assigned a personal EDN Vocational Trainer who will meet with the apprentice face-to-face and online throughout the programme.
